### Ramblin' Round

With Jay Powell

**THANKS TO YOU,** the PLUSH PONY, 1716 Pacific Coast Hwy., is celebrating a very successful first anniversary.

Wednesday, Thursday, Friday and Saturday of this week, owner George Kavalis is having gifts of appreciation distributed to all patrons.

There will be orchids for the ladies, cigars for the men, balloons for the youngsters.

Plush is more than just part of the name of the Plush Pony. It is descriptive of everything in this beautiful restaurant, from the interior decor to the food on the menu.

The plush dining area is tastefully furnished in tones of orange and blue, the ta-

bles and lunch bar are mahogany, the lamps are trimmed with cut-out prancing ponies.

And the food, served on elegant china with gold fleur-de-lis design, is in keeping with the plush decor.

The varied menu includes everything from soup to delicious dessert pastries.

All of this so many of you already know. But, whether you have been a "regular" or not, now is the time to stop in at the plush Plush Pony and congratulate George Kavalis on a successful first year.

So much did their Latin American fame precede them, that they were immediately signed on arrival in this country to do an album for Capitol Records.

From Ballads to bounce, from rock 'n roll to show tunes, they are certain to create quite a ripple in the "Porpoise Room."
